

Galvanised Theta Cycle Stand

Part Number ST15

Features

Similar to our 'O' Ring, this carefully designed and built cycle stand has an added cross tube for extra secure locking points.

Commercial heavy-duty specification made from 60mm diameter tube with a strong 3mm wall thickness. Cross rail is 50mm diameter.

Fully hot dip galvanized after manufacture to BS EN ISO 1461 standard, ensures long lasting corrosion resistance.

All steel construction enables simple recycling at end of use.

Options

Manufactured as surface mount bolt down fixing or root fix version for embedding in concrete.

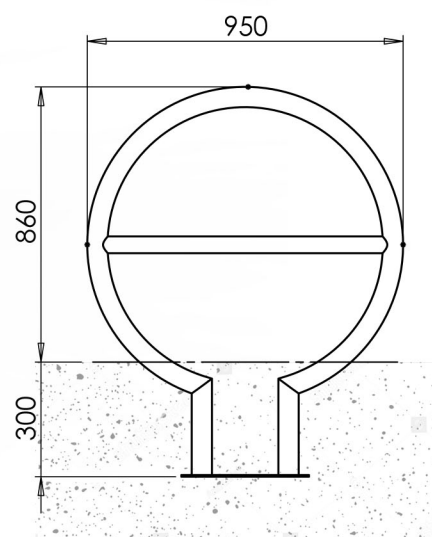

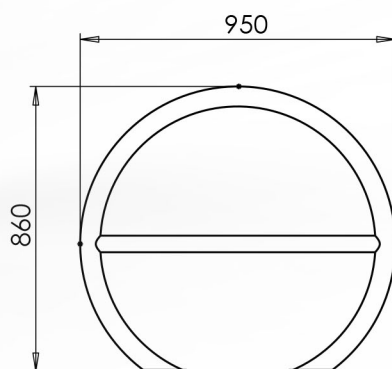

Stainless Steel options.

DDA compliant Black Rilsan® nylon dip coated.

Powder coated to any RAL colour.

Reflective tape bands can be applied.

50mm diameter construction, (60mm diameter is standard).
