

Stainless Steel Fully Welded Toast Rack

Part Number ST29

Features

Commercial heavy-duty specification made from 50.8mm diameter tube with a strong 2mm wall thickness incorporating 50mm x 25mm box section rails which when fixed to the ground ensure a strong and secure structure.

Fine satin brushed finish to Ra.5 as standard.

Stainless steel construction ensures simple recycling at end of use.

Ground anchors required

M12 diameter anchor bolts. 4 No are required per toast rack, which can be supplied at extra cost.

Options

- Galvanised finish.
- 2,3,4,5 and 6 hoop available.
- DDA compliant Rilsan® eco coating available.
- Reflective tape bands can be applied.
