

# Rilsan® Coated Security Hoop

Part Number ST40

## Features

Our security hoop offers a secure locking point for cycles from a wall fixed arrangement.

Commercial heavy-duty specification made from 48.3mm diameter tube with a strong 3mm wall thickness.

Rilsan® PA11 nylon coating is forgiving, energy absorbing and therefore non damaging to cycle frames. It is also a DDA compliant finish being “warm to the touch”.

Rilsan® nylon provides the perfect long-lasting, abrasion resistant coating with durable corrosion protection.

The steel used in the manufacture of our cycle stands is readily recycled at the end of use.

## Options

Stainless steel versions.

Galvanized finish.

Powder coated to any RAL colour.

Reflective tape bands can be applied.
